How do I send a payment with PayPal?

[How do I send a payment with PayPal?](#) [Print](#)

To send a payment with PayPal:

1. Log in to your PayPal account.
2. Click **Send Money** at the top of the page.
3. Enter your recipient's email address and the amount.
4. Choose the payment type and click **Continue**.
5. Review the details. You can change your funding source by clicking **Change** under "Payment method".
6. Click **Continue**.
7. **Review** your payment and click **Send Money**.

If you have a balance in your PayPal account, the funds will be taken from your balance before debiting the remaining funds from your bank account, credit or debit card.

If you don't have a PayPal account, you can still pay for purchases with PayPal using your credit or debit card if your seller offers PayPal at the checkout.
